

**iHome mid-size wireless laser mouse**

**Model # IH-M175ZR, IH-M176ZN, IH-M178ZP, IH-M179ZW**

**Product Knowledge Base**

## **Frequently Asked Questions (FAQs)**

### **1. What is included in the box?**

- Mid-size wireless laser mouse
- 2 AAA Duracell® battery
- USB nano receiver
- Quick start guide

### **2. What are the system requirements?**

- Windows® 2000, XP or Windows Vista®
- Mac® OS X v10.4 or later
- USB port

### **3. Where can I find warranty information?**

Visit [www.life-works.com/warranty](http://www.life-works.com/warranty)

## **Troubleshooting**

### **1. My mouse does not work?**

- Ensure the USB nano receiver is connected to your computer.
- Connect the USB nano receiver to a different USB port.
- Check that the batteries are inserted correctly.
- Install fresh batteries.
- Move the mouse closer to the USB nano receiver.
- Ensure the laser sensor on the bottom of the mouse is clean.

## **Product Operating Tips**

- Store the USB nano receiver in the storage slot in the bottom of the mouse when traveling
- Switch off your mouse when traveling or to conserve battery life.
- The scroll wheel is also a button. Press the scroll wheel (without rolling it) to automatically scroll a document or web page, then move your mouse up or down to set the automatic scroll speed.
- Your mouse has two sensitivity settings, standard mode and high-performance mode. High-performance mode allows the cursor to move very quickly, and is useful for activities such as gaming.
- Press the DPI button (behind the scroll wheel) to switch from standard mode to high-performance mode and back.
